(CLASS ACTION)**

OPINION AND ORDER

Plaintiff's Motion for Early Discovery Under Federal Rule of Civil Procedure 26(d)(1), [Dkt. 33], has been fully briefed and is before the court for decision. Plaintiffs seek permission to depose two of Plaintiffs' proposed class representatives in order to preserve their testimony. Plaintiffs contend this is necessary because they are 77 and 76 years old and suffer from general health issues related to aging. No specifics of any health issues are provided.

Plaintiffs further contend that the testimony is essential to class certification, damages, and all other aspects of the case. Again, no specifics are provided.

Plaintiffs have not provided sufficient specific information to establish good cause for early discovery. Plaintiffs' Motion for Early Discovery Under Federal Rule of Civil Procedure 26(d)(1), [Dkt. 33], is DENIED.

SO ORDERED this 18th day of July, 2019.
